TALENT Security Officer, CIA

Establishment of TALENT Control Center within Department of State

1. Approval has been granted by the TCO/CIA with the concurrence of the TSO/CIA for the establishment of a TALENT Control Center within the Department of State.
2. The Director of Central Intelligence has been charged with the responsibility for the conduct of an extremely sensitive project and for the exploitation and dissemination of the intelligence products of this project. A security and control system has been established within the intelligence community by select representatives of the community who have agreed to the standards and requirements of the TALENT Control System including reserving the right to inspect TALENT facilities, dossiers and control procedures only.
3. A Control Center within the Department of State has been approved and is physically located within the Restricted Area presently being utilized for the safe storage of Special Intelligence in the Special Projects Staff Area. The names proposed by the SPS to handle the evaluations of State Personnel are Mr. Jack Minor and Mr. Otto Otepka.
4. Messrs Armstrong, Furnas and Walker of the SPS have received appropriate TALENT Clearances and have been properly briefed and required to execute Security Agreement forms.
5. It is understood that immediate evaluations will be required for:

Mr. T. A. Polyzoides as TCO
Mr. Leslie Rood as Alt. TCO
Mr. Robert F. Packard, SPS and TSO
Mr. Robert G. Walker, cleared and Alt. TSO.

The request for TALENT evaluations and clearances will normally flow from the TSO/State only to Mr. Minor DD/SY or Mr. Otepka who will render a security opinion to the TSO/State. It will be the responsibility of the TSO/State to indoctrinate properly cleared State personnel and require such personnel to sign the TALENT Security Briefing Agreement. The TCO/State is required to maintain and furnish to the TSO/CIA a listing of all personnel within State who have been granted a TALENT Clearance and briefing. A supplemental list will be furnished each two weeks to TALENT Control Headquarters and will contain the names of individuals to be added or deleted from the basic list.
